

Reflections on Lessons Learned

Reflections

1. I don't have all the answers I wish I had.

- Don't know why the accident happened where it did.
- Don't know why there was one fatality and not more.
- Isaiah 55:8, 9; Acts 12:1-4, 6-11

2. I know God spared my life.

- 1 Samuel 2:6; Job 1:21; Acts 17:28
- It's not the first time He's spared my life.
 - Romans 5:8
- Hopefully not the last time either. Revelation 20:14, 15

Reflections

3. Gratitude fills my heart. 1 Thessalonians 5:18

- Toward God. James 1:17
- Toward His people. Titus 2:11-14
- Toward good Samaritans and first responders. Luke 10:33-37
- Toward my family.
- Hope that I have and continue to look like Luke 17:15, 16

4. Who did Jesus have around Him in His time of need?

- Disciples fell asleep (Matthew 26:36-41), Judas betrayed Him (26:47-49), and Peter denied Him (Matthew 26:58).

Reflections

5. Life is brief.

- James 4:13-17
- Life is a vapor.
- Live for God today; don't put off your service until some more convenient time.
- There is not a better time than now to get right with God.
